**Description and History:** Originally Built by Tom and Mary Smith of East Liverpool, OH in 1990 and named Mary Margaret. Purchased by Steve and Catherine Folmar of Glen Dale, WV in the winter of 2012. She is currently undergoing a complete rebuild of the superstructure. Most everything in the before photo has been removed. The work is being performed on the Ohio River in Glen Dale, WV-Mile 99. We are expecting the rebuild to take approximately 2 years to complete. We are planning to keep the same drive and wheel on her. The superstructure will consist of 2 floors with a Pilot House, Texas cabin and deck on the top floor.
